

Great Northern Gymnastics

Summer 2013 Class Schedule

Great Northern offers gymnastics training designed to provide progressive development of physical fitness, self-esteem and confidence, motivation, coordination, and strength. These qualities contribute to a healthy lifestyle, as well as future success in other sports or in preparation to enter USA Gymnastics or High School competitive programs. To provide a high quality program, we follow the USA Gymnastics recommended student-teacher ratios of 5 to 1 in the preschool classes, and 6-8 to 1 in the developmental classes. At Great Northern, individual progress is monitored as students advance to new skills and challenges, each at their own pace. Parents are encouraged to observe classes, and discuss how we can further contribute to the growth and development of each child. Thank you for choosing gymnastics for your child! ***Gymnastics - Begin here... go anywhere!***

CLASS	Tuition/ month**	Duration	Monday	Tuesday	Wednesday	Thursday
